The Honorable Rosa L. DeLauro
Ranking Member
House Committee on Appropriations

Dear Chairwoman Granger and Ranking Member DeLauro:

I am requesting funding for the road and intersection improvements in the City of Avon, Ohio in FY 2024. The entity to receive funding for this project is the **City of Avon, located at 36080 Chester Road, Avon, Ohio 44011.**

The funding would be used to add through and turn lanes and make signal improvements on State Route 254 and on State Route 83. Making these improvements would reduce driver confusion and conflict points by adding through, drop, and turn lanes; updating pavement markings and signage; enhancing interconnected traffic signal systems; and providing emergency vehicle pre-emption. The project is an appropriate use of taxpayer funds because it will help directly address the significant safety and congestion problem that is occurring in Lorain County and the region.

The project has a Federal nexus because the funding provided is for purposes authorized by 23 USC 133.

I certify that neither I nor my immediate family has any financial interest in this project.

I hereby certify that this request will be made publicly available on my Official Website as required by the House Appropriations Committee's policy that only posted requests will be considered.

Sincerely,

Robert E. Latta
Member of Congress
